

LESSON STRATEGY: COURSE PLANNING

STARTING POINT

SOMEONE AT THIS STAGE IS:

Learner is not yet knowledgeable of all the resources for traveling on a budget

TO GET TO THE NEXT STAGE:

Understand the range of cost for travel as well as the resources needed to budget for cheaper trips. Will be given a list to review.

CONTENT IDEAS:

Viewer will be given an interactive list of categories needed to prepare for travel. Worksheet will be provided (G-Suite Accomidating)

MILESTONE 1

SOMEONE AT THIS STAGE IS:

Learning objective #1: Budgeting pre-vacation. They may not have the resources or knowledge for discounted flight tickets.

TO GET TO THE NEXT STAGE:

Review a checklist of different resources and take a quiz to review the information.

CONTENT IDEAS:

Checklist as well as links to websites that can give viewer discounted websites. They are encouraged to use a worksheet to write down all deals.

MILESTONE 2

SOMEONE AT THIS STAGE IS:

Learning objective #2: Beginning to plan lodging. They may have planned for a tourist hotel before.

TO GET TO THE NEXT STAGE:

Review the pros and cons between major hotels, hostels, and airbnbs.

CONTENT IDEAS:

Given list of websites where they can find discounts. Encouraged to once again track on worksheet.

MILESTONE 3

SOMEONE AT THIS STAGE IS:

Learning objective #3: Learners will begin to plan for food, drinks, and entertainment.

TO GET TO THE NEXT STAGE:

Learner will click on different buttons with pictures. Flipping them, it will show the discount prices vs tourist prices, showing price doesn't affect quality.

CONTENT IDEAS:

Vyond videos to help guide them through the process

GOAL

SOMEONE AT THIS STAGE IS:

Learner can confidently begin to plan their own budget friendly trip.

TO GET TO THE NEXT STAGE:

Quiz on the process

CONTENT IDEAS:

Learner is provided with a brief infographic on what they've learned for download
